

INTRODUCTION

Purpose: The Lotus Newsletter consists of informal communications of research information on *Lotus*. Reports of any phase of research on *Lotus* breeding, genetics, taxonomy, management, utilization or physiology are welcome. Your biographic sketches and information about your research objectives, approaches, and progress including titles of your publications are encouraged. Seed requests and news items are accepted.

This is the 23rd year of publication for the Lotus Newsletter. Now is the time to consider contributing to the 24th volume of the Lotus Newsletter. Contributions generally are compiled without editing.

IF YOU USE A WORD PROCESSOR

1. Prepare your contribution using any Macintosh or IBM (MS-DOS) word processing program. Then you have two options:
 - a. submit the file on 3.5 " (90 mm) disk accompanied by a printed copy of the contribution. Identify which program you used. **OR**
 - b. submit the file to my E-mail address (AGROBELL@MIZZOU1.MISSOURI.EDU) and send me a copy by FAX to 314-882-1467, or by regular mail. Identify which program you used.
