*This Newsletter consists of informal reports which are presented to further the exchange of ideas and information between research workers. Consequently the data presented here are not to be used in publications without the consent of the authors.*

**Front cover:** The picture on the front cover of this volume shows a larva of *Bruchophagus platypterus* (Walker) as presented by R. Alzugaray on pages 11 and 18 of this volume.

The opinions in this publication are those of the authors and not necessarily those of the *Lotus* Newsletter. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Newsletter concerning the legal status of any country, territory, city, or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries. Where trade names are used this does not constitute endorsement of or discrimination against any product by the Newsletter.
