This Newsletter consists of informal reports which are presented to further the exchange of ideas and information between research workers. Consequently the data presented here are not to be used in publications without the consent of the authors. Images are copyright of the authors, and their reproduction is strictly prohibited without their consent.

Front cover: The photograph taken by Mr. Amado Vergara exhibit Hereford steers strip grazing a mix pasture of birdsfoot trefoil (*Lotus corniculatus* L.) and white clover (*Trifolium repens* L.) in Uruguay. The **Special issue** is based on abstracts arising from the International Workshop Integrating Genomics into Plant Breeding held on 25 and 26 October 2007 in Porto Alegre, Brazil, and financed by the Sixth Framework Programme (European Union).

The opinions in this publication are those of the authors and not necessarily those of the *Lotus* Newsletter. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Newsletter concerning the legal status of any country, territory, city, or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries. Where trade names are used this does not constitute endorsement of or discrimination against any product by the Newsletter.
