

Inflation - Lotus Newsletter, self-supporting?

The Lotus Newsletter has been largely supported from Departmental funds. However, the increased cost for mimeographing and postage no longer make this possible. The Newsletter will continued to be sent to those who request it, since individuals from certain countries will not be able to contribute. With this Newsletter is a reply sheet asking whether or not you would be willing to pay U.S. or Canadian \$2.00 for a two year's subscription.
